BATTERY DESIGN

Comprehensive Lithium-Ion Battery Services with
KULR ONE™ Design Solutions

Path Forward for Battery Electric R66

- Helistorm motor delivery planned for late summer
- KULR battery packs delivery planned for Q3 2026
- Ground runs planned for Q4 2026
- First Flight planned for early 2027
- Customer Demonstrations throughout 2027
- Production and Certification Aircraft Design Freeze in late 2027

We are optimistic for Certification and Deliveries by end of 2030
