3. Registration and acceptance

Registration for AERO 2025 requires the complete submission of the online form. With this intention to exhibit, the company declares to fairnamic its sincere interest to participate as an exhibitor. The submission of the online registration form does not constitute a claim to admission. Fairnamic shall submit a written placement proposal to the exhibitor, which shall require the written consent of the exhibitor within the response time set for him.

The exhibitor's placement consent constitutes the contract offer, from which the exhibitor can no longer unilaterally withdraw after its receipt by fairnamic. The contract with fairnamic for participation shall only be concluded upon confirmation of participation by fairnamic, which constitutes acceptance of the contract. Subsequent substantial adjustments to the contract at the exhibitor's request (e.g.

Special Conditions of Participation for AERO Friedrichshafen 2025

change of contract partner, change of placement, etc.) after the contract has been concluded may be associated with additional costs.

By sending the placement agreement, which does not yet constitute a claim to participation, the exhibitor accepts the Special and General Terms and Conditions of Participation, the Technical Guidelines, the House Rules, the currently valid Protection and Hygiene Concept, the Data Protection Guidelines as well as all further conditions of participation listed at www.aero.com/exhibiting-guidelines.

4. Participation fee, discounts, exhibitor passes, Co-Exhibitors

4.1 The participation fee includes the provision of the exhibition location, a certain number of exhibitor passes, exhibitor and stand service by the project management, provision of the exhibition's in-house information systems, target group-specific marketing of the AERO 2025, hall security, cleaning of the halls and complimentary promotional material for the exhibitor's own visitor advertising.

4.2 Quantity discount scale

Up to 150 m ² :	full amount
Area from 151 – 250 m ² :	5% reduction
Area from 251 – 350 m ² :	10% reduction
Area from 351 – 500 m ² :	15% reduction
Area from 501 m ² :	20% reduction

Up to a stand area of 150 m², the list price is calculated; beyond that, the above-mentioned scaling applies. Calculation example for a stand area with aircraft exhibits of 320 m².

150m ² x 84€	= 12.600€
+ 100m ² x 79,80€ (≙ 5%)	= 7.980€
+ 70m ² x 75,60€ (≙ 10%)	= 5.292€
= Gesamtsumme:	= 25.872€
