

25 – 27 JUNE 2025

PARTICIPATION OPPORTUNITIES

Exhibit at AERO South Africa, the premier business-to-business trade show for General Aviation in Southern Africa.

AERO South Africa, organised in collaboration with Fairnamic and Messe Frankfurt South Africa, in partnership with Adrenaline Show Productions (ASP).

Our objective is to facilitate connections between the global General Aviation industry and the African market

Several white lines of varying lengths and angles are positioned on the right side of the slide, extending from the middle towards the bottom right corner.

WHY EXHIBIT

5 REASONS TO EXHIBIT AT AERO

FEATURES

- An interactive platform offering exhibitors and visitor the perfect environment to build and foster relationships with current and future business partners
- Potential buyers have the opportunity to experience aircraft features first hand as aircraft manufacturers and distributors have the opportunity to host demo flights during the event

AERO South Africa hosted its Fourth edition in 2024. This year's event featured over 70 exhibitors from over 11 different countries.

AERO 2024 introduced an exciting new Interactive Drone Zone, where visitors experienced live drone demonstrations, witnessed the latest advancements in drone technology, and could also try their hand at piloting a drone themselves.

The Aero Speakers Corner and the Youth Development Program hosted 20 sessions covering a wide range of general aviation topics.
