

EXCLUSIVE SPONSORSHIP OPPORTUNITIES

Over 400 horses, 600 cows, almost 1,000 starts at the competitions and 288 exhibiting companies on an area of over 62,000 square metres - that was the AMERICANA 2023, which took place for the first time at Messe Friedrichshafen and was an overwhelming success with a total of 47,200 visitors.

Horses and riders from 17 nations competed in around 50 classes for over EUR 260,000-added prize money and the coveted titles as well as numerous non-cash prizes. As usual, the cutting, reining and cowhorse classes were strong and high-calibre.
