

For over 60 years, INTERBOOT has been one of Europe's leading water sports trade shows. From the very beginning, maritime tourism has been a key focus of the event.

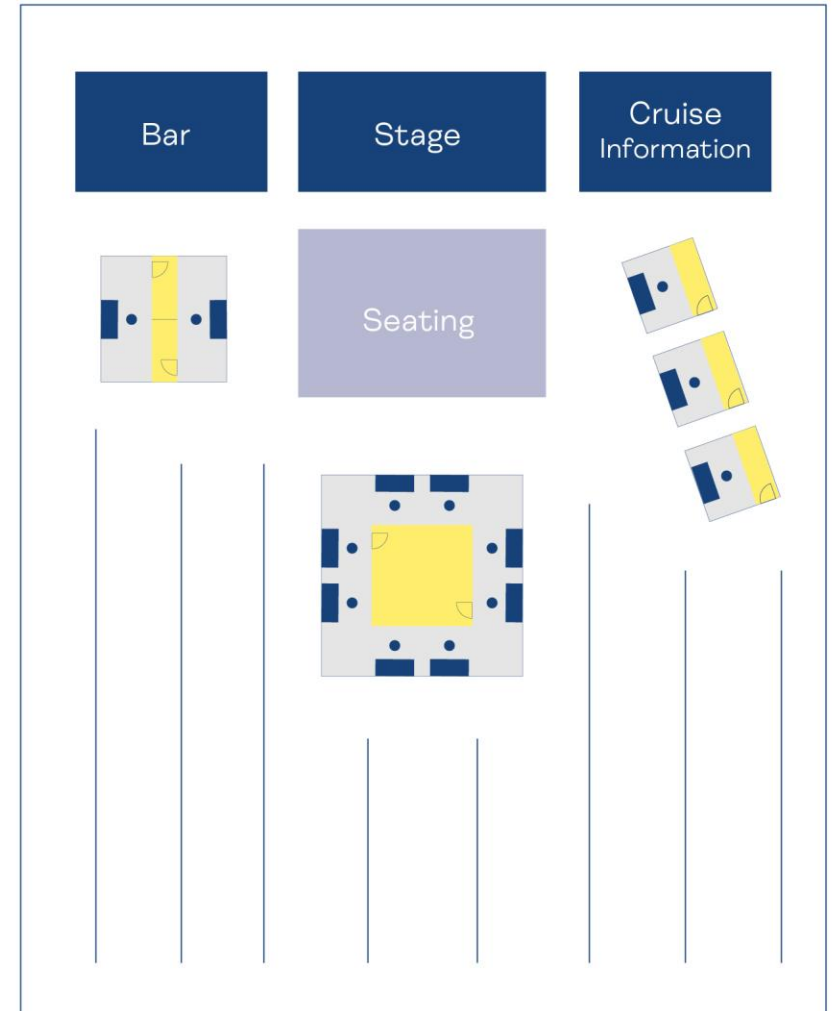

**INTERBOOT stands out for the following reasons:**

- Ideal access to the high-income D-A-CH market
- Knowledgeable trade visitors
- Only 5 days left until the trade show
- Personal and straightforward exhibitor support
- Active participation opportunities in the stage program
- Digital presentation opportunities on the INTERBOOT website
- Affordable “all-inclusive” participation options
- Special hotel rates

# HALL A3

Hall A3 is the hub of maritime tourism. At the heart of the hall is the event stage, which features a large LED screen. Surrounding it are the cruise advisory desk, the community bar, and the individual booths of tourism providers and charter companies.

# BOOTH OPTION 1:

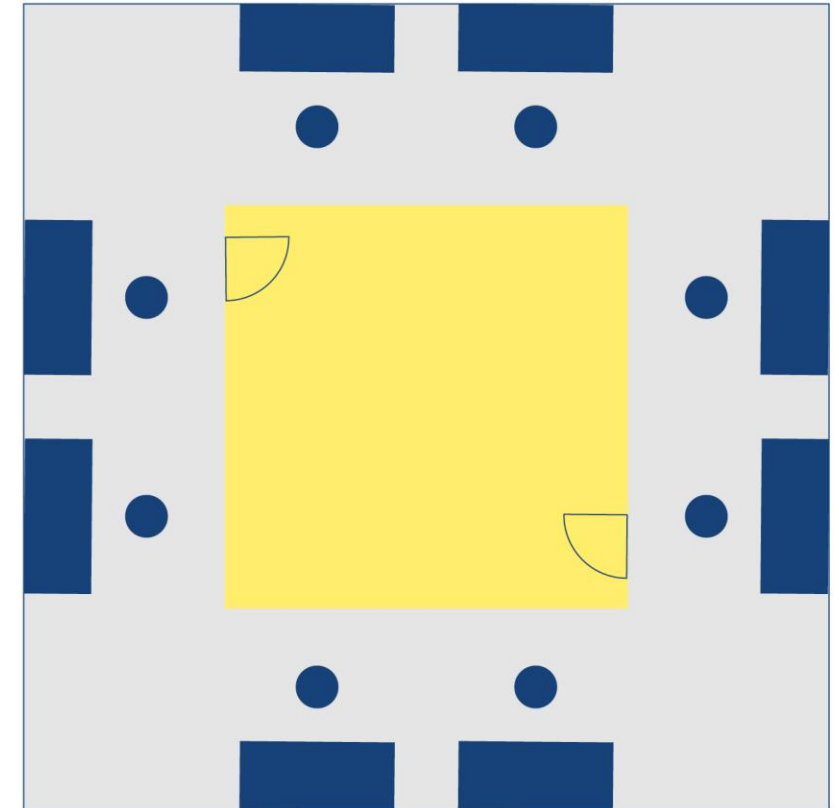

## Large Shared Booth\*

This option is designed for a joint presentation by the Caribbean Consortium. Each tourist board will have a 2-meter-wide back panel that can be customized with its own branding, as well as an information counter with bar stools. The entire booth is carpeted, features a central logistics storage area, and includes a lighted display panel. If occupancy is lower, a single front section can be allocated per tourism board.

Price per 2-meter element:

€999 + VAT

\* Minimum occupancy: 4 participants

Size: 8x8m

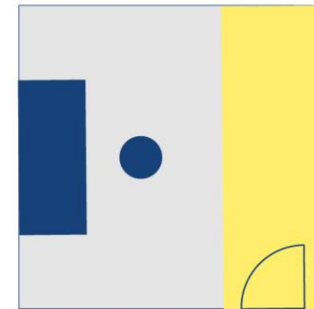

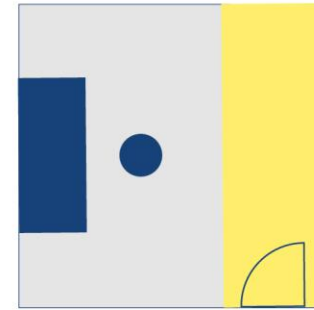

# BOOTH OPTION 2:

## Small, standalone exhibition booth

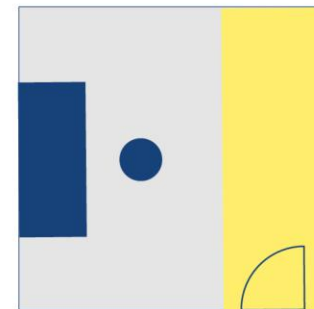

Each unit includes a 3-meter back wall that can be customized with your branding, an information counter with a bar stool, and a custom storage area. The entire booth is carpeted and has an electrical outlet.

Price per unit:

€1,299 + VAT

Size:  
3x3m  
each

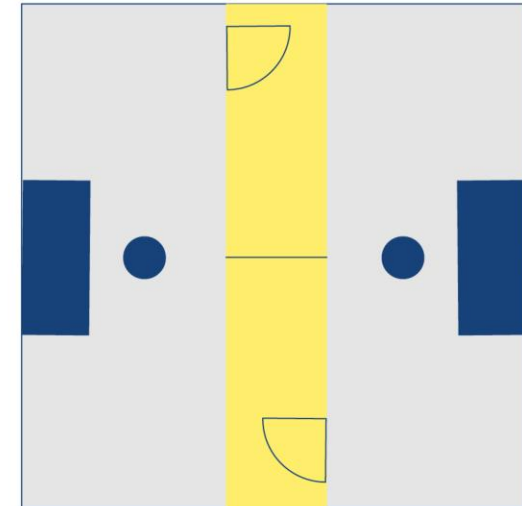

# BOOTH OPTION 3:

## 4-meter booth divided in half

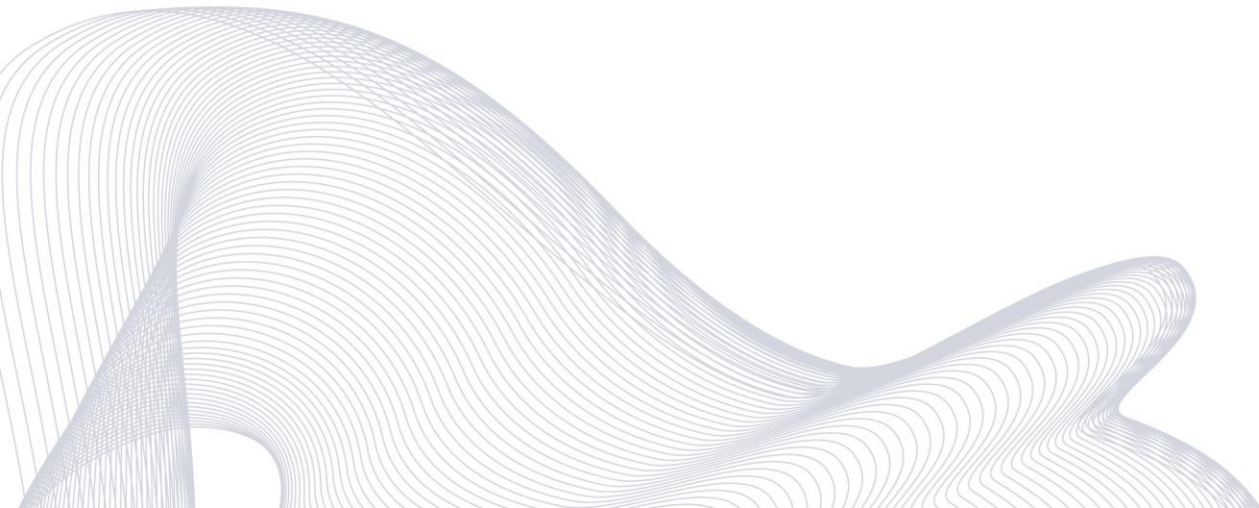

Here, two tourism boards share a booth. Each unit features a 4-meter back wall that can be customized with branding, as well as an information counter with bar stools and a private storage area. The entire booth is carpeted and has an electrical outlet.

Price per unit:

€1,749 + VAT

Size: 4x4m
